

## E-Commerce Website Screen Sort:

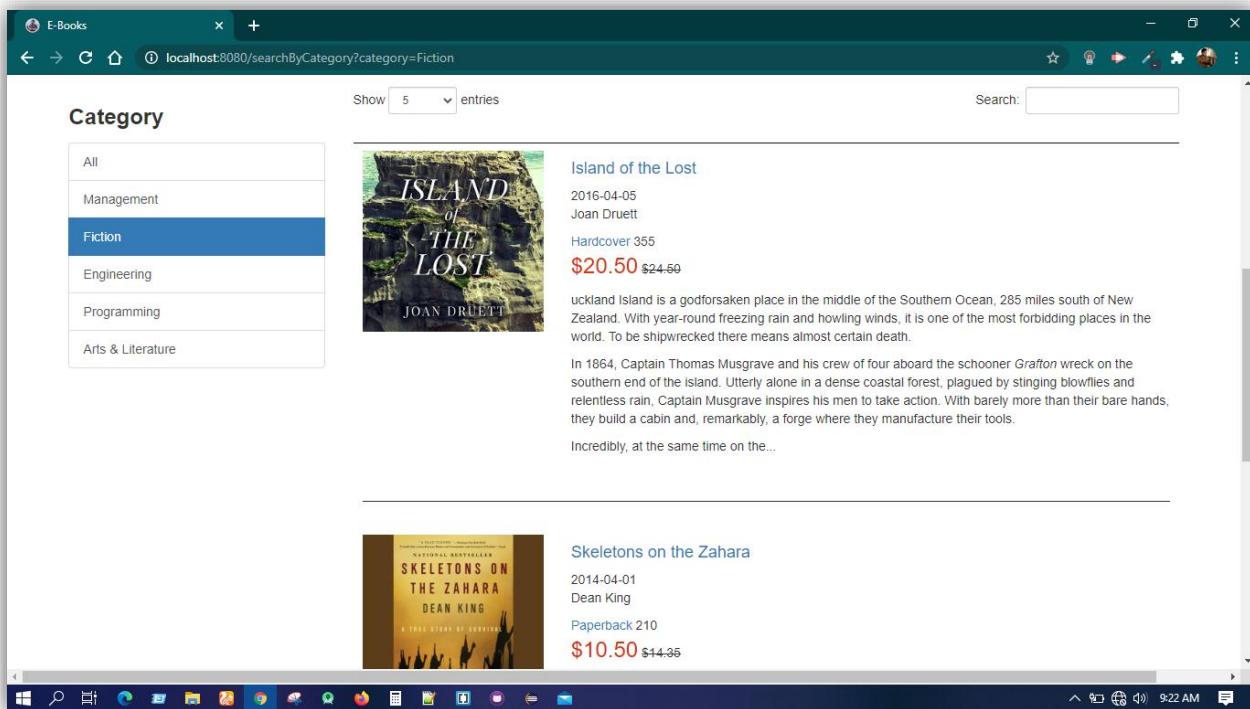

This screenshot shows the homepage of an e-commerce website for books. The header features a logo, the text "E-Books", and a search bar with placeholder "Book title". Below the header is a large banner image of a library bookshelf. Overlaid on the banner is a white box containing the name "Foysal Mahmud" and the text "Studied at Computer Science and Engineering, University of Bansal.". To the right of the banner is a sidebar with the "e-bookstore" logo and the text "BEST ONLINE LIBRARY". The footer shows a Windows taskbar with various icons.

This screenshot shows the same website as above, but with a dropdown menu open from the "BOOKS" button in the header. The "Programming" category is selected, highlighted in blue. Other categories listed in the menu include "Engineering", "Fiction", "Management", "Arts & Literature", and "FAQ". The rest of the page content is identical to the first screenshot, including the banner, sidebar, and footer.

## E-Commerce Website Screen Sort:

The screenshot shows the homepage of an e-commerce website for books. At the top, there's a navigation bar with a logo, a search bar, and a user icon. Below the header are three large, rounded rectangular boxes containing images: one of a stack of programming books with the text 'BEST PROGRAMMING BOOKS' overlaid, another of a person sitting at a desk in a library with bookshelves in the background, and a third of four wooden blocks spelling 'FAQ'. Below these boxes is a horizontal line with the text 'Best Seller Books' in a dark box. Underneath is a wooden shelf displaying several book covers, including 'CRACKING THE CODING INTERVIEW', 'Beginning Spring 5', 'ELEMENTS OF PROGRAMMING INTERVIEWS IN python', 'CRACKING THE PM INTERVIEW', 'MATHEMATICS FOR MACHINE LEARNING', and 'Java in a Nutshell'. A navigation bar with various icons is visible at the bottom.

The screenshot shows a search results page for fiction books. The URL in the address bar is 'localhost:8080/searchByCategory?category=Fiction'. On the left, there's a sidebar with a 'Category' section containing links for All, Management, Fiction (which is highlighted in blue), Engineering, Programming, and Arts & Literature. Above the sidebar is a search bar with 'Show 5 entries' and a 'Search:' input field. The main content area displays two book entries. The first book is 'Island of the Lost' by Joan Druett, published on 2016-04-05, in Hardcover, priced at \$20.50. The second book is 'Skeletons on the Zahara' by Dean King, published on 2014-04-01, in Paperback, priced at \$10.50. Both books have their respective book covers and brief descriptions. The bottom of the screen shows a Windows taskbar with various pinned icons.

## E-Commerce Website Screen Sort:

The screenshot shows a web browser window displaying a book detail page from an e-commerce website. The URL in the address bar is `localhost:8080/bookDetail?id=49`. The page title is **Beginning Spring 5**.

**Book Details:**

- Author:** Joseph B. Ottinger
- Publisher:** Apress
- Publication Date:** 2011-09-06
- Language:** english
- Category:** Programming
- paperback:** 380 pages
- ISBN:** 1253564
- Shipping Weight:** 2.6 ounces

**Description:**

Get started with Spring Framework 5 and its ecosystem, with a guide to working practices in modern development. Authors Joseph Ottinger and Andrew Lombardi will teach you how to use the Spring Framework to build Java-based applications, web applications, and microservices. You'll see how Spring has drastically and positively affected the way we program and design applications in Java. Beginning Spring 5 discusses how you can build apps with the Spring mindset and what the benefits of that mindset are. Along the way you will learn many aspects of the Spring ecosystem with easy-to-understand applications designed to teach you not only the technology, but also the practices that benefit the most from Spring.

Sunday: 10am - 9pm

The screenshot shows a web browser window with the URL [localhost:8080/newUser](http://localhost:8080/newUser). The page has a header with the same navigation links as the previous page. Below the header is a large, light-colored wooden texture background image. The main content area contains the same "Create new account" form as the previous page, with the same field labels and values. A note at the top of the form says: "An email has been sent to the email address you just registered. Please validate your email address and update your password information." A blue "Create new account" button is at the bottom.

## E-Commerce Website Screen Sort:

## E-Commerce Website Screen Sort:

The screenshot shows a web browser window with three tabs: "E-Commerce - New User - foysal", "E-Books", and "E-Books". The active tab displays a user profile edit form. The form has tabs for "Edit", "Orders", "Billing", and "Shipping", with "Edit" selected. The fields include "First Name" (empty), "Last Name" (empty), "UserName" (foysal), "Current Password" (empty), and "Email Address" (foysal.ecommerce1@gmail.com). Below the email field is a note: "A valid email address. All emails from the system will be sent to this address. The email address is not made public and will only be used if you wish to receive a new password or wish to receive certain notifications." There are also fields for "Password" and "Confirm Password" (both empty). A toolbar at the bottom of the form includes icons for back, forward, search, and other controls.

The screenshot shows a Gmail inbox with one message. The message is from "foysal.ecommerce@gmail.com" with the subject "E-Commerce - New User". The message body contains a link: <http://localhost:8080/newUser?token=27dde656-7a53-4c3f-a717-91a7e6c44051>. It also includes a note: "Please click on this link to verify your email and edit your personal information. Your password is: 3BN6QF0QAL8P5UQZAX". The message was received at 2:34 PM (0 minutes ago). The inbox sidebar shows categories like "Starred", "Snoozed", "Sent", "Drafts", and "More". The "Compose" button is visible at the top left. The bottom of the screen shows a toolbar with icons for back, forward, search, and other controls.

## E-Commerce Website Screen Sort:

The image consists of three vertically stacked screenshots of an E-commerce website, likely built with Angular.js, showing different user interface components.

**Screenshot 1: User Profile Edit**  
A screenshot of a user profile edit page. The URL is `localhost:8080/newUser?token=27dde656-7a53-4c3f-a717-91a7e6c44051`. The page has tabs for Edit, Orders, Billing, and Shipping. The Edit tab is active. It contains fields for First Name (Foysal), Last Name (Mahmud), UserName (foysal), Current Password (redacted), and Email Address (foysal.ecommerce1@gmail.com). A note below the email field states: "A valid email address. All emails from the system will be sent to this address. The email address is not made public and will only be used if you wish to receive a new password or wish to receive certain notifications." Below the email field is a Password field (redacted) and a Confirm Password field (redacted).

**Screenshot 2: Password Change**  
A screenshot of a password change page. The URL is `localhost:8080/updateUserInfo`. The page has tabs for Edit, Orders, Billing, and Shipping. The Billing tab is active. It shows a large placeholder image of a wooden surface. The title bar indicates the current page is "List of Credit Cards / Add(Update) Credit Card".

**Screenshot 3: Contact Page**  
A screenshot of a contact page. The page features a dark header with the website logo "e-bookstore BEST ONLINE LIBRARY". Below the header, there are three columns: **CONTACT** (Address: Mirpur - 12, Dhaka, Phone (BD): +8801712-345678, E-mail: foysal.ecommerce.com), **LINKS** (Privacy Policy, Terms & Conditions, Frequently Ask Questions), and **Open HOURS** (Monday - Saturday: 9am - 12pm, Sunday: 10am - 9pm). The footer also includes a toolbar with icons for back, forward, search, and other functions.

## E-Commerce Website Screen Sort:

The screenshot shows a web browser window with three tabs: "E-Commerce - New User - foyal", "E-Books", and "E-Books". The active tab is "localhost:8080/addNewCreditCard". The page title is "List of Credit Cards / Add(Update) Credit Card". The form starts with a field for "Give a name for your card" containing "FoyalCard". Below it is a "Billing Address" section with fields for "Name" (containing "Foyal"), "Street Address" (with "Street Address 1" and "Street Address 2" fields), "City" (with "Billing city" and "Barisal" dropdown), "State" (dropdown), and "Zipcode" (text input). At the bottom of the form is a "Credit Card Information" section with logos for VISA, MasterCard, DISCOVER, and AMERICAN EXPRESS. A toolbar at the bottom includes icons for zoom, search, and close.

This screenshot shows the same browser window after the user has filled out the form. The "Billing Address" section remains the same. In the "Credit Card Information" section, the "Select Card Type" dropdown is set to "Visa". The "Card Holder Name" field contains "Foyal Mahmud". The "Card Number" field contains "1234567". The "Expiration Date" fields show "Mar (03)" and "2023". The "CV Code" field contains "0915". A "Save All" button is visible at the bottom. The toolbar at the bottom is identical to the first screenshot.

## E-Commerce Website Screen Sort:

The screenshot shows a web browser window with three tabs open: "E-Commerce - New User - foysal", "E-Books", and "E-Books". The main content area displays a "Shipping" tab selected in a blue header bar. Below the header is a breadcrumb navigation: "List of Shipping Addresses" > "Add(Update) Shipping Address". The interface includes tabs for "Default" and "Shipping Address", and a "Save" button. The "Shipping Address" tab is active.

## E-Commerce Website Screen Sort:

The screenshot shows the first step of the checkout process, "1. Shipping Address". On the left, there is a sidebar with a "Place your order" button and a "Order Summary" section. The "Order Summary" section displays the total before tax (\$26.99), estimated tax (\$1.62), and the **Order Total: \$28.61**. Below the sidebar, a message says "Shipping and handling haven't applied." To the right, the main form has a header "1. Shipping Address". It contains a table with columns for "Available Shipping Address" and "Operations". A single row is shown: "Mirpur - 12 null, Dhaka, Dhaka" with an "use this address" link. Below this is a form for entering shipping details: "Name" (Foyal Mahmud), "Street Address" (Mirpur - 12), "Street Address 2" (empty), "City" (Dhaka), "State" (Dhaka), and "Zipcode" (8200). A "Next" button is at the bottom right.

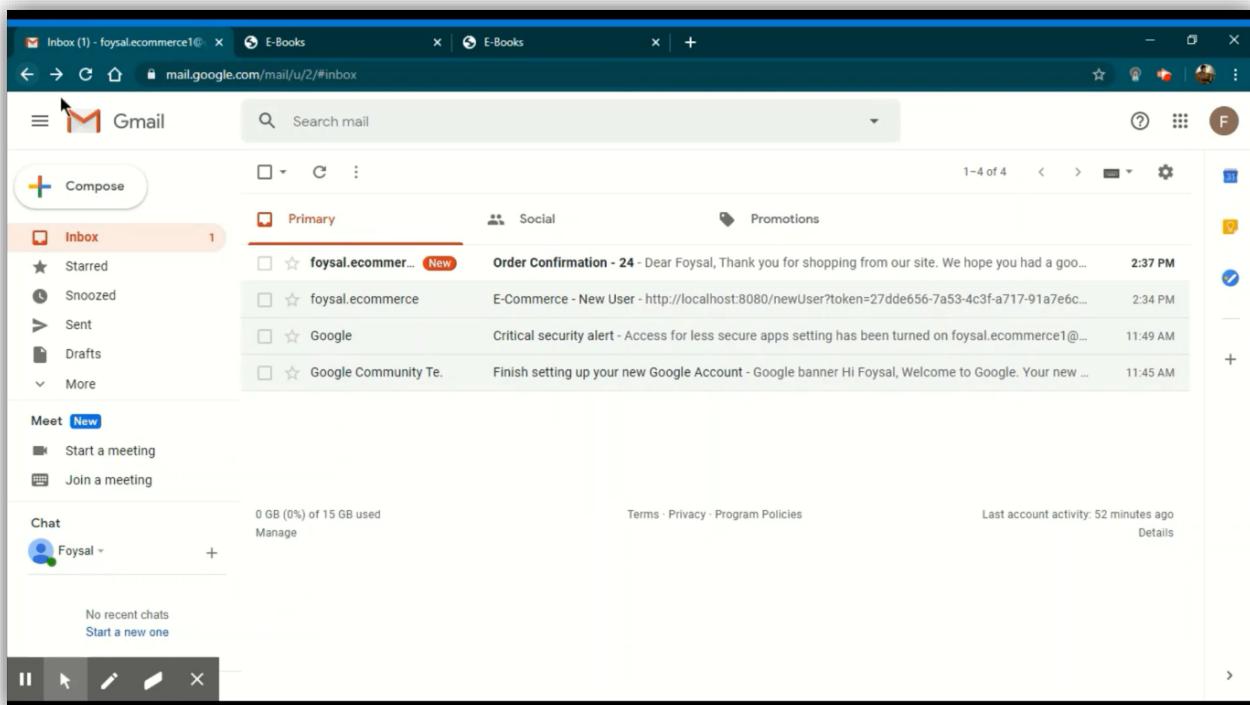

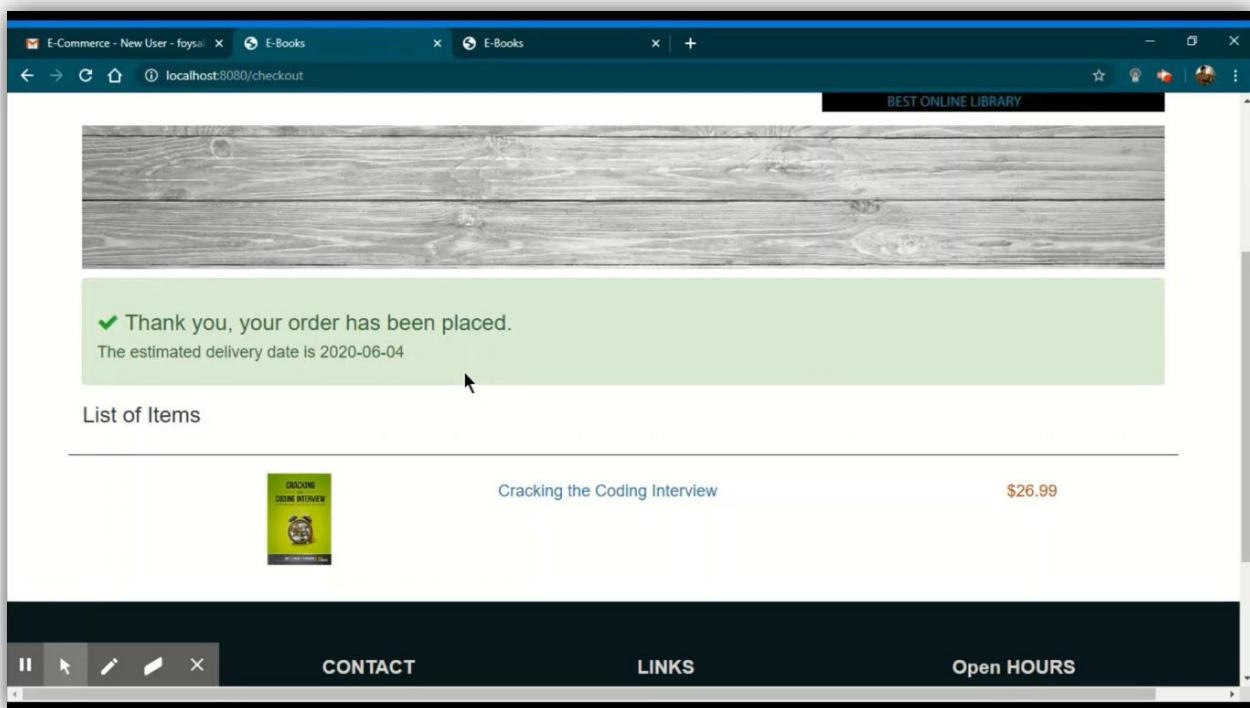

The screenshot shows the second step of the checkout process, "2. Payment Information". The layout is similar to the previous screen, with a sidebar on the left and a main form on the right. The sidebar includes a "Place your order" button and an "Order Summary" section. The "Order Summary" section shows the same total: \$28.61. The main form has a header "2. Payment Information". It starts with a table for "Available Credit Card" and "Operations". A single row is listed: "FoysalCard" with an "use this payment" link. Below this is a form for card details: "Select Card Type" (Visa selected), "Card Holder Name" (Foyal Mahmud), "Card Number" (1234567), "Expiration Date" (Jan (01) and 2017), and "CV Code" (915). The "Next" button is visible at the bottom right.

## E-Commerce Website Screen Sort:

The screenshot shows the payment section of the checkout process. At the top left, the order total is displayed as \$28.61. Below it, there is a note stating "Shipping and handling haven't applied." On the right side, there is a dropdown menu for selecting card type, which is currently set to Visa. Other payment method icons are visible above the dropdown. Below the card type selection, fields for "Card Holder Name" (Foysal Mahmud) and "Card Number" (1234567) are present. Further down, fields for "Expiration Date" (Jan (01) and 2017) and "CV Code" (915) are shown. A checkbox labeled "The same as shipping address" is checked. Below these, fields for "Name" (Foysal), "Street Address" (Mirpur - 10, Street Address 2), "City" (Mirpur), "State" (Dhaka), and "Zipcode" (8212) are provided.

This screenshot shows the review and payment summary step of the checkout process. On the left, a sidebar lists steps: 1. Shipping Address, 2. Payment Information, and 3. Review Items and Shipping. The main area displays the "Place your order" button and a note about agreeing to privacy terms. The "Order Summary" table shows the total before tax (\$26.99), estimated tax (\$1.62), and the final "Order Total" of \$28.61. Below this, a note states "Shipping and handling haven't applied." To the right, a table titled "Products" lists an item: "Cracking the Coding Interview" by Gayle Laakmann McDowell, priced at \$26.99, with a quantity of 1. A note indicates "Only 6 In Stock". The "Order Total (1 items): \$26.99" is summarized at the bottom. A large orange "Place your order" button is centered at the bottom, with a note below it about agreeing to privacy terms.
